

NEW

Convert your old small bin throats to a 70% larger hole. A simple bolt on collar allows you to increase the throat size for ease of auger set up.

Hheavy duty formed 14 gauge lidcap. Heavy spring closure keeps lid closed. Mechanical advantage opener makes opening easy from ground. Easy to mount with simple clamp ring. No need to enter bin.
Built to last a lifetime. (F) Chain latching system secures lid fully open for filling bin or partially open for aeration.

Lifetime Fan Transitions

Hheavy duty construction - these transitions are built strong and heavy enough to support the fan. Full line. (A) Round to square, all popular sizes. 18" rd. to 9"x14" shown (B) Round to round. 24" to 18" shown. Also in 28" to 24" and 28" to 18". (C) 9"x14" sq. fan to 12" round (D) Round to round reducer plates. 24" to 18" shown. All sizes available. (E) 9"x14" to 18", 24" or 28" round. 9"x14" to 18" shown. Call for custom sizes.
